

Flagstaff Ranch

Golf

Dramatic vistas, abundant mountain wildlife, and challenging world class golf...

Flagstaff Ranch Golf Club stretches across 454 acres and golf takes center stage. Designed by U.S. Open Champion Jerry Pate, this 7,160 yard championship course takes full advantage of the beauty of its setting. "This is truly the land that the game of golf has been looking for," Pate says. The par 71 course winds gracefully through the community, providing dramatic elevation changes and equally dramatic vistas.

The Golf Club at Flagstaff Ranch offers Residents and Non-Residents alike the opportunity to belong to one of the southwest's finest golf clubs and play one of its elite courses. This pristine golf course presents players with roomy fairways, sculpted bunkers and large, rolling greens. Carved from a thick forest of Ponderosa Pines, the course offers multiple tee boxes to provide challenge and enjoyment.

The course measures some 7,160 yards from the Championship Tees and a more relaxed 5,210 yards from the forward tees. A winning mix of challenge and scenery provides an exciting round for golfers of all levels.

Flagstaff Ranch uses Kentucky Bluegrass in the fairways, tees and rough while maintaining L 93 Bent Grass on the greens!
